PROFESSIONAL SUMMARY

Computer Science graduate with hands-on experience in Flutter/Dart app development and Python-based machine learning, currently building real-time features at Navydo as a Jr. Application Developer. Skilled in IoT, Firebase, and data analysis, with a project background focused on practical, impact-driven solutions. Strong problem-solver and quick learner, committed to building scalable software in collaborative environments.

EXPERIENCE

AI/ML Intern

June 2026 – Present

Linnk Academy India

- Completed hands-on training in Python and core machine learning concepts, building a solid foundation in supervised learning techniques and algorithms.
- Built, trained, and compared multiple classification models including K-Nearest Neighbors, Logistic Regression, Decision Tree, and Random Forest on real-world style datasets.
- Visualized data patterns, correlations, and outliers using Matplotlib and Seaborn, and evaluated model performance using Scikit-learn with train-test splits and accuracy metrics.

Jr. Application Developer

march 2026 - Present

Navydo

Remote

- Developed and maintained mobile application features using Flutter and Dart as part of a remote app development team.
- Integrated WebSocket connections to enable real-time data communication and improve app responsiveness.
- Conducted app testing and debugging, and managed code changes using Git for version control in a collaborative workflow.

PROJECTS

IoT-Based Smart Food Surplus Redistribution System

March 2026

- Built a cross-platform mobile application using Flutter to track and redistribute surplus food, aiming to reduce food wastage.
- Integrated IoT sensors with Firebase to transmit real-time sensor data to the app for live monitoring and updates.

SKILLS

Languages: C, Python

Frameworks & Tools: Flutter, Dart, React, Git, Firebase

ML Libraries: NumPy, Pandas, Scikit-learn, Matplotlib, Seaborn

Soft Skills: Communication, Leadership, Time Management, Problem Solving, Teamwork

EDUCATION

B.Tech in Computer Science

May 2026

TKM Institute of Technology

Kollam, Kerala

Percentage: 74.5%

Class 12

Apr 2022

G.V.H.S.S Chuzhali

Kannur, Kerala

Percentage: 93%

CERTIFICATIONS

- NPTEL Certificate on Understanding Design (2025)
